

Bernice Taylor

Oct 4, 2012 / OBITUARIES

Taylor, Bernice Dorothy

Departed on October 4, 2012 at the age of 89.

Born in Telkwa, BC on March 5, 1923, to the late Richard & Rose Munger. She was the eldest of four children; Pre deceased by sisters, Beryl and Bunny, and leaves behind brother, Richard.

She moved to Princeton when she was 17 and married the late Norman Taylor in 1941. Together they oversaw the family businesses; the Taylor Lumber Company and later the

Taylor's Mill Mobile Home Park.

Granny was an avid gardener and homemaker, we would often find fresh bread cooling on the porch and every birthday we celebrated with her Angel Food Cake. Always so generous and never too busy to enjoy her family, we have fond memories of Northern trips, camping at Lodestone, splashing in the creek, purple jello, and KD. Granny watched over Dallas and Destiny often when they were young and later looked forward to their visits after school. We all have so many happy memories of time spent together.

Bernice is survived by her brother Richard (Louise), three children; Norman (Barb), Jack (Pearl), Cheryl (Brian), 6 grandchildren; Alan (Kathy), Keith (Julie), Brent (Carla), Robin (Gary), Coral (Lyle), April (Jason), and 11 Great Grandchildren. As well as, many nieces, nephews and special friends.

A moment lasts all of a second,

But the memory lives forever.

Thank you for all those great moments

And special memories.
