

# Donald CORMACK

Dec 20, 2013 / OBITUARIES

It is with sadness that we announce the passing of Donald John Cormack on December 20, 2013.

Donald and his twin brother David were born on December 21, 1943 in Vancouver BC. Donald is predeceased by his twin brother David, mother Alma Sallay and his brother in -law, Leonard Kelsey .

Donald is survived by his sister Alice Kelsey from Cabri Saskatchewan and nephews and niece Lonnie, Lorrie, Lindsay, Lance Kelsey and families.

Donald moved from Princeton, B.C. to Kamloops in the spring of 2013 in order to be closer to family. He enjoyed spending time with family and friends, taking care of his dog Jake, playing cards, playing Bingo and scratching lottery tickets.

Whenever possible Donald went to Saskatchewan to the family cabin at Clearwater Lake. This was one of his favorite things to do and he looked forward to drinking coffee and playing cards on the deck.

The family would like to thank Lisa Carleton and Lynn Johnson from Princeton for being such great friends to Don and for all their help over the years.

We would also like to thank The Dengarry Professional Group and caregiver Charisa and family from Kamloops for the great care Don received from them this past year.
