

In loving memory of

Reginald "Reg" Dale Green

October 6, 1940 – October 18, 2022

Reg was born in Fielding, New Brunswick, and moved to B.C. with his first wife, Shirley, and their three children in 1971.

Reg and his second wife, Karin, moved to Princeton in 2003 to be near the beautiful Similkameen River where they had enjoyed camping. There they began a new adventure, making many new friends over the years. Reg was proud to give driving tours of their many renovation projects.

A Celebration Of Life will be held on December 10th, 12-2 p.m., at the Sheraton Guildford Hotel, 15269 104th Ave, Surrey, B.C. In lieu of flowers, please consider a donation in his honor to the Okanagan Humane Society.

A longer tribute may be found, and condolences shared with the family, at HansonsFuneral.ca.

With thanks to friends and neighbors, as well as the staff of Princeton & District Community Services, Interior Health Home Support in Princeton, and, most recently, Ridgewood Lodge, for their care and kindness to Reg during the last five years.
