

In loving memory of

Heather Rebecca Gillis Johnson

September 24, 1965 - September 18, 2022

Our family are saddened to announce the passing of their beloved Heather. Heather passed unexpectedly at home in West Kelowna. She was born in Hamilton, Ontario and raised in Vancouver BC.

In her mid-twenties she moved to Princeton where it soon became home to her as she made many dear, close friends. She embarked on a long career in Real Estate which was a passion of hers. Her love for people was part of her success in business and also was proof in the many social functions initiated by her.

After many years in Princeton Heather moved to West Kelowna and worked in retail in her years there. Interests included her love for music (especially the Blues), her cats, cooking and skiing.

Predeceased by her Mother Mary, Father Bill and brothers Greg (1987) Michael (1985). Survived by her loving daughter Cayden, Sister Jennifer, twin Brother John (Carolyn) and Nephew Greg.

We love you Heather and miss you dearly.
