Anderson, Margaret

With great sadness we announce the passing of Margaret Anderson

on November 1, 2012 at the age of 89 years.

She went quietly in her sleep at home as was her wish. Her gentle caring heart just wore out.

Margaret was predeceased by her husband Hugh Anderson, her brother Bill Brown and sister Dorothy Dunn.

She leaves behind her son Bruce (Connie), daughter Cheryle, four grandchildren: Wes (Pam), Vicky (Ron), Stacy (Red), Kelly (Tania); five great grandchildren: Paige, Frankie, Spenser, Trinity and Elina.

At her request, there will be no service.

A huge thank you to Dr. Eva and nurses at Princeton General Hospital for the care given to her these last years.

A special thank you to Tanya Ter Keurs for her kind caring support.

Thank you to Gail Smart for “everything” and to all the girls at the clinic.

And thank you to the Community Home Care girls – a special thank you to Cheryl Piket.
