

McCOLMAN, DON

It is with great sadness the family of Don McColman, beloved Husband, Father, Brother, Opa and Friend, announce his passing.

Don spent 44 years happily living in Princeton, BC with his wife Dini.

After a brief battle with brain cancer he passed away July 23, 2015 in Vernon, BC with his girls by his side.

Don's family will have a Celebration of Life in early fall.

In lieu of flowers we ask for donations to the North Okanagan Hospice Society as they provided the best end-of-life caring and kindness for Don.

*Be at peace Opa, we will love
and miss you forever.*
