

**McCULLOCH,
JAMES JOHN**

*June 20, 1921 -
September 13, 2015*

Our dear Dad passed away with his loving family by his side. Dad is predeceased by his father Sam McCulloch (his best friend), his mother Sarah and

sister Mabel. He is survived by his spouse Gayle (the one true love of his life), sons James (Barb), Paul (Alda, dedicated caregiver), daughter Donna (Jerry) and granddaughter Hayley. Jim was born in Sardis BC and then moved to Saskatchewan and as a young boy worked alongside his father on their farm in Meath Park, Sask. With a desire to see the world he took to riding the rails until enlisting in the army. As a soldier in WWII (serving in Britain, France and Italy) he was a dispatch rider at the front lines, military policeman and physical trainer. At the end of the war Dad met his bride Gayle in New Westminster, BC and raised their family in Maple Ridge, BC, eventually retiring in Princeton, BC along the Similkameen River. There he spent his retirement working the land and being with nature and his good ol' dog Tex. Dad had many interests over his lifetime but what stood out the most was his love of working the land, love of nature's beauty and music, with a special fondness for guitar and playing the harmonica. Dad loved his family and would do anything for them. Dad had special times with us all and will always be loved and present all around us. *We love you Dad*
