

OVINGTON, RUTH

On June 19, 2016 our grandmother, Ruth Ovington went to be with the Lord. She was 93 years old and we loved her very much.

I am writing this to thank all the people up at Ridgewood Lodge who made her stay there for the last year and a half a beautiful and loving fun filled time. She enjoyed being there, and taking part in all the activities.

The family feel so blessed to have such a wonderful staffed facility here in our little town. All the staff are so wonderful and caring, they made our last week with our mother/grandmother the best it could be.

They made sure we had coffee, tea, water & goodies the whole time we were there.

She passed on with all of her eight kids and one brother, Maurice from England by her bedside, loving her and singing her favourite hymns. It doesn't get any better than that.

I would also like to thank Barry and Marg Ovington for opening their home to the many family that came to stay for Nana's last days.
