Loving husband,
devoted dad,
proud grandpa,
loyal friend,
respected
colleague. Though
he was not able to
be here in
Princeton long, he
loved it here and
was glad for the
time he got and
the adventures we
shared. He

struggled to overcome his disease, but lost in the end to the dreaded cancer. We have been so fortunate to have the excellent staffs at Princeton Hospital, and at Ridgewood Lodge, to help us through this difficult time. My heart is breaking, but you are free now of the pain and torture you have been through.

Rest in Peace, my love.
