Robert Arthur Mullin

January 28, 1951 – November 26, 2010

A Celebration of Life was held for Robert Arthur Mullin on December 1, 2010 at the Princeton & District Community Skills Centre.

Rob was born in Princeton and resided there most of his life. He loved Princeton and the outdoor recreation the area offered. He loved hunting and fishing and the company of his many friends. His woodworking hobby has left friends and family with nice mementos. He often would read & watch TV covering historical events and actions.

Rob worked in the mining, logging and drilling industries at different periods in his life.

Rob was predeceased by his father, WA (Ike) Mullin in 1997.

He is survived by his mother, Lois G. Bell; his son Robert W. Mullin (Sh'eli) and grandson Levi; sister, Jaymie Atkinson (David) niece, Tara (Chase) and nephew, Jay-D (Bailee).

The Mullin Clan, aunts, uncles and cousins were special in Rob's heart. The Kirby Clan were also an important part of his life. We thank his special angel and the family for the love and support Rob received over the years.

Rob's many friends called him Bigfoot and played a major role in his life.

He was happy cooking and providing a place for his friends.

~ We thank you for the time and the care you gave him. ~
