

Terry REES

Nov 27, 2013 / OBITUARIES

REES TERRY A.L.

September 30, 1946 – November 27, 2013

After fighting pancreatitis for two years, in the end it was pancreatic cancer that won. Terry passed away peacefully in Ft. St. John hospital.

He was predeceased by both parents, a sister and two brothers. He is survived by his devoted wife of 25 years, Anne, his best bud Spud, Kris, Ticia and Dexter, Kyle, Amy and Jenna, lots of friends in the Princeton area, and his old boys in FSJ.

Terry was always helping people either building or fixing odds and ends while offering lots of advice and helpful hints.

He worked in the mines, Lornex, Hinton, Similco and Black Sands for the most part. Terry was self employed in landscaping and a variety of odd jobs before moving with Anne and the dogs to Taylor, BC., where he enjoyed gardening and wood work projects.

There will be no formal service at his request but a “gathering” in Coalmont sometime in the spring.
