Stanley Gifford

March 14, 1938 – March 22, 2016

It is with profound sadness that we announce the sudden passing of Stanley, age 78, following complications related to a stroke. He leaves behind his childhood sweetheart and wife of fifty-five years, Arlene, as well as brother Frederick, sister Audrey, children - Jeffrey (Susan), Jennifer & David, grandchildren - Rachelle, Chelsea & Logan, and a wide circle of extended family and friends. Stan was born in Kelowna and spent his school years there. He was a much-respected pillar of the Princeton community, serving the town as a lawyer for over fifty years.

**A celebration of Stan's life
will be held on April 16 at 2 PM
